### PREPARATION:

Cut the chicken, salt it and season it with garlic, basil and parsley.

Fry it in a pan with some drops of olive oil.

Meanwhile, prepare instant noodles as indicated by package directions. In this case we opened the package, threw boiling water until the indicated line, closed the lid and left for 3 minutes. Once cooked, drain them and set aside.

In a bowl, mix the beaten eggs with chicken (already fried) and noodles (already cooked). Heat a medium sized skillet with a few drops of olive oil and let it heat before adding the mixture. Simmer between 5/7 minutes.

□ When it's ready, put it in a plate and cover it with grated cheese (to taste). Brown in microwave between 2 and 3 minutes.
